

Name: Amanda (Dillon)

Root Name: Amanda

Etymological Meaning: Latin. Worthy of love. Virtuous.

Character Traits: Virtuous is not the best word to describe her. A wanton woman, she has used manipulation, seduction and sympathy to get her way. Turns out, she is loyal to a fault of her deranged mom, Janet, and is in fact, only acting out to get attention and normalcy. Worthy of a real and healthy love, she is becoming redeemed.
