Three weeks ago, fans of *As the World Turns*, the iconic Procter and Gamble soap opera that left the broadcast airwaves in September 2010, were treated with amazing news. Selected episodes -- 20 in all -- from their favorite soap opera was now available on DVD.

Soapdom reported that if sales proved promising, more installments would follow. And they are! Now, just in time for the holidays, you can relive some of your favorite memories of Christmas in Oakdale, thanks to the latest release in the collection.

Christmas in Oakdale features five of the most memorable Christmas episodes from the iconic series.

The collection includes appearances by many of the programs's best-loved characters, including Nancy, Penny and Lisa. Also represented are famous couples such as Bob & Kim and Tom & Margo.

This first classic episode on the Christmas in Oakdale DVD dates back as far as 1985...
