You take the good, you take the bad, you take them both and there you have the facts of life in Oakdale. Experiencing a high, Liberty's on the receiving end of good news. Will she be successful in fighting the cancer after all? A wealth of happiness also hits Bob and Kim, as they celebrate their 25th wedding anniversary. Hopefully, we'll get some great flashbacks to go along with it.

It's a gloomy week for other denizens in town—one being Dusty, who is taken to the hospital. Meanwhile, Carly's worried about Jack's nerves, especially when Janet asks Jack to personally find whoever harmed Dusty. Unaware that Faith's a druggie, Lily's deeply worried about her. Will she figure out her daughter's dirty little secret? See what plays out by watching As the World Turns all week long.
