Things seem to be looking up for Libby Lu. The odds of beating her cancer have increased, and she's found a friend in Gabriel. However, Parker's not so smitten with him and tries to convince Liberty that he's up to no good. Will she listen?

Elsewhere, Carly's got her hands full with Craig when he admits to her that a bad investment was made with the Monte Carlo money. Add to that, Monte Carlo itself goes up in flames. After all this, perhaps Carly will think twice about getting involved with Craig.

As the week comes to a close, Emily gets a lead on her investigation, and a major secret is revealed. What is it about and who's at the center of it? Gotta keep the tube glued all week to As the World Turns to find out.
