The pooh hits the proverbial fan this week in Oakdale and it is not going to be pretty, especially for Vienna. And why? Because Henry learns the truth about her pregnancy lies. Was it Katie that spilled the beans?

At the same time, Will can't let go of his gut feeling that something's wrong with Barbara. It's about time, too. Will will be able to figure things out before it's too late for Babs?

While in some couples' developments, Craig and Lily go to New York to sign the contract for the perfume factory. Does the deal go off as planned, or are there any flies in the ointment? More importantly, will the trip bring the two closer or drive them farther apart? Speaking of two members of the opposite sex sharing in business situations, Faith accompanies Parker to a commercial shoot. Is he happy she's there?

On the other side of town, Bob can't believe how ignorant Mona Cross turns out to be. In fact, her lack of knowledge becomes her downfall when he passes on her offer to buy the hospital. But has he just bit his nose to spite his face? The week starts to wind down when Carly finally learns about Jack's offer for Janet and Liberty to stay at Snyder Farm. What will she have to say about that? One way to find out. Tune in to As the World Turns this week and see.
