

Episode #13,708 --- It's Casey and Alison's wedding day. Mick has Alison in the Bell Tower, and he lets her go downstairs when they hear footsteps. Alison finds that it's Emily, who calls Margo to send some police help to get Mick out of there and get Alison to safety. Margo follows up, and Mick is led to a police car. Mick escapes and comes back in time for the wedding. It becomes a hostage situation – Mick, Paul, Emily, Alison, Casey, Barbara and Henry are inside.

Meanwhile, Bob fakes an illness and he and Kim are taken to the hospital for examination. Mick has shot Paul in the leg. Alison confronts Mick, urging him to remember who he is and who he is not (James). But James wins out, and when Alison accuses him of not being a good liar, he says, to Casey's shock, that he got Alison into bed, didn't he?
