

TVGN to air the five most recent back-to-back Episodes of B&B every Sunday from 11:00 AM ET/PT—1:30 PM ET/PT. Weekday encore airings of B&B to begin Monday, December 2 at 6:30 PM ET/PT.

The Bold and the Beautiful fans, you are in for a treat. In a recent development, the Bold and the Beautiful is heading to a cable or satellite network near you beginning in December.

TVGN (TV Guide Network) will become the exclusive cable home to television's most watched daytime drama series in the world, The Bold and the Beautiful (B&B).

The programming will begin on Monday, December 2.

TVGN will encore the prior day's B&B episode weekdays at 6:30 PM ET/PT, immediately preceding TVGN's encore airings of The Young and the Restless (weekdays at 7:00 PM ET/PT). In addition, fans can catch-up on all five of the prior week's most recent episodes on TVGN every Sunday from 11:00 AM ET/PT—1:30 PM ET/PT starting on December 8.

"The Bold and the Beautiful has been one of the most popular daytime dramas on television for more than two decades and now, for the first time ever, the series will be making its cable TV debut, giving loyal viewers more opportunities to catch-up on their favorite show," said Brad Schwartz, President, Entertainment and Media, TVGN. "The Young and the Restless has made TVGN one of the top female networks in the country, weekdays at 7pm. It only made sense to give B&B fans what they've been demanding from us."

"I am looking forward to a successful partnership with TVGN," said Bradley Bell, Executive Producer and Head Writer of The Bold and the Beautiful. "Our fans have asked us for an opportunity to watch a second run. I'm delighted that we will now be able to fulfill that desire with such an esteemed cable network."
