

Singer, dancer, gameshow host and the very funny improv comedian, Wayne Brady, will guest star on the Bold and the Beautiful early this year.

He will play himself, as host of Let's Make Deal, when fashion world denizens, Pam (Ally Mills) and Nick (Jack Wagner) take a stab at "coming on down" when they appear in character on the game show. Also appearing in this episode will be Let's Make a Deal announcer, Jonathan Magnum and model Tiffany Coyne.

Soap fans will remember that Brady hosted the 2011 Daytime Emmy awards, and as SOD reminds us, he also starred on The Young and the Restless for a special Mother's Day episode with his real-life grandmother in 2004.
