Dayzee follows Beverly onto a city bus as she flees from her accusers. Does Bev get away in one piece? We think she must as it's not long before she introduces Stephanie and Hope to a very serious social issue -- what happens to foster kids when they age out of the foster care system?

Meanwhile, Ridge is beyond consolation over the stolen designs. Brooke tries to be there for him. She attempts to help him see the bright side of things. But are her efforts in vein?

At the same time, Pam's past deeds get the better of her. Consumed by guilt, she reveals something long hidden about her past. But to whom does she open up? Could it be Jackie? If so, how will Jackie deal with this newfound information?

The action then returns to Stephanie, Beverly, Dayzee, and Hope who hear the real life stories of now emancipated foster children. Will we need our hankies handy? Find out when you tune in to the Bold and the Beautiful this week.
