If it's not one thing, it's something else and the week is no different for Hope and Liam. First up, Ridge delivers information to them and it greatly affects their planned future together. What news does Ridge impart? Speaking of Hope, the claws come out when she and Steffy have a confrontation which leads to a very messy knock-down-drag-out brawl. Can you say cat fight? Who will walk away unscratched?

Shortly thereafter, Rick gets into the act when he vows to make sure that Liam is the right guy for Hope. What does Rick do to achieve this end and does he accomplish his goal? Meanwhile, Liam gives Steffy a Valentine's Day gift that she will always remember. What could it be?

With the romance of Valentine's Day behind everyone, the action soon returns to Rick who thwarts Ridge's attempt to covertly edge Eric out of the company. Ridge is not going to be happy about that. Will he face off with Rick?

At the same time, Katie is pleasantly surprised to learn that she has a new ally against Steffy. Who could it be? Find out when you tune in The Bold and the Beautiful this week.
