Days of our Lives fans can look forward to watching soap favorite, Marie Wilson (ex Meg Snyder, As the World Turns), in upcoming episodes this fall.

In an exciting story arc set to kick off this Halloween, Wilson plays the character of Bree, an old acquaintance of Hope's who turns out to be someone from Aiden's dark past.

Wilson will be sharing the screen with Kristian Alfonso (Hope) and Daniel Cosgrove (Aiden) in some thrilling upcoming scenes.

Will the fact that she debuts on Halloween say anything about her character? Does she have dark and questionable past as well? And just what is Aiden hiding?

Stay tuned to see how Marie Wilson as Bree shakes things up for Hope and Aiden. Be sure to tune in from the get go, on October 31st.
