As the week begins, we find Melanie at odds with her feelings. Undoubtedly, she harbors feelings for Dario, but her conscience could overcome her heart. As she continues to wrestle with her feelings for Dario, will something or someone help her see the light?

At the same time, Hope and Maggie have a heart to heart. Hope, the voice of reason, tries to encourage Maggie to keep an open mind. Will Maggie heed Hope's advice?

Also, look for a two new faces to show up in Salem by mid week. We speak of two men, one named Scott and the other named Mike. Whose lives will they impact?

At the same time, as Victor is offered a partial stake in Titan by Brady, Taylor realizes Nicole has something on EJ. Is Taylor getting too close for Nicole's comfort? And although Brady has shown some semblance of magnanimity by offering Victor a piece of the Titan pie, he is just as determined that EJ will be punished. What does Brady have up his sleeve this time? Don't miss a moment of Days of our Lives this week to find out.
