Lots of intrigue going on in Salem this week. First up, EJ and Taylor are set to meet. Interestingly, Nicole hopes that they will hit it off. Why is Nicole so in favor of this?

At the same time, Rafe2 and Stefano team up and come up with their latest scheme. It involves Allie and what they are after is for her to disappear. Will their plan come off without a hitch or will someone foil it before it's too late for Allie?

Meanwhile, Kate and Chloe have a heart-to-heart conversation during which, Kate convinces Chloe to throw out her post-partum pills. But is that wise advice? More importantly, will Chloe take it to heart?

Shortly thereafter, Vivian is in for a surprise when she discovers that Brady now has control over Titan. How does Vivian find out? What will she do now that she knows?

Finally, as the week winds down, Abe is clued in to the fact that Chad has the DiMeras in his sights. Abe takes no time in warning Chad to stay away from the DiMeras, but will Chad listen to reason? Keep your remote glued to Days of our Lives this week and see.
