All My Children

Reaching out from beyond the grave is nothing new in soapdom and this week it is no different on All My Children. Kendall gets a message from Zack. Does he actually appear to her or does it turn out that

he is alive after all? All we can share is that it has something to do with a letter, and Kendall may not get the opportunity to read it all thanks to Ricky. What does Ricky do to prevent Kendall from seeing its entire contents? At the same time, Jake lets out his anger towards Amanda. Was Amanda acting out of pure jealousy or sincerely in Jake's best interest? If it is the latter, will she be able to convince her hubby or could her actions be too dire to ever become undone? Meanwhile, Tad tells Damon that Colby knows his secret as Ryan, Greenlee and JR head to Montreal to find Annie. Will their mission prove successful? Finally, the week winds down with Scott who convinces Madison to move in with him so they can split the rent. But is that his only motive? Tune in to All My Children this week and find out.
