The special Valentine's Day episode of General Hospital has a lot of surprises in store for the denizens of Port Charles. Least of which is the guest starring appearance of Cristele Alonzo, star of the new hit prime time series, "Cristela," and huge fan of GH! All we can say is love is in the air!

Read on with caution. Contains scoopage!

This special episode of General Hospital airs FRIDAY, FEBRUARY 13.

As previously announced, "Baby Daddy's" Derek Theler and Melissa Peterman will also guest star on the "GH" Valentine's episode. Derek plays a colleague of Dr. Patrick Drake, and Melissa plays an old friend of Olivia Falconeri from Bensonhurst.

Oh yeah, and in case you forgot -- General Hospital, which celebrated its 51st anniversary on April 1, 2014, is the longest running American soap opera currently in production and the longest running scripted drama on television currently in production. General Hospital has received the prestigious Emmy Award for Outstanding Daytime Drama a record eleven times. General Hospital was created by Frank and Doris Hursley. Frank Valentini is the executive producer and Ron Carlivati is the head writer . "General Hospital" airs weekdays on the ABC Television Network.
