

ABC is having a little fun this February! Cast members from ABC Family's "Baby Daddy" and ABC's "General Hospital" will crossover on both shows. Read on with caution! Contains scoopage...

On Wednesday, February 4, "General Hospital"'s Kelly Monaco (Sam McCall) will guest star on "Baby Daddy." Then on Friday, February 13, "Baby Daddy's" Derek Theler (Danny Wheeler) and Melissa Peterman (Bonnie Wheeler) will guest star on "General Hospital" for a special Valentine's Day episode.

In the episode titled, "Over My Dead Bonnie," Kelly Monaco plays an exaggerated version of herself. Danny is offered a cameo role on "General Hospital;" he's really nervous and asks Riley to help him rehearse. Riley is a huge fan and can't believe Danny is going to be in a scene with Kelly Monaco, who plays her favorite character, Sam.

Although Kelly is initially annoyed by the stunt casting, she soon finds Danny charming and decides he needs to be her new love interest.

Meanwhile, Tucker and Ben are tired of living with Bonnie and are determined to get her out of their apartment and back into hers. The boys figure out the best way to break the lease is to have Bonnie "die," so they stage a funeral on the "General Hospital" set. Michael Lembeck ("One Day at a Time") also guest stars. "Baby Daddy" airs Wednesday, February 4th at 8:30pm ET/PT on ABC Family.

While on "General Hospital," Melissa Peterman plays an old friend of Olivia's from Bensonhurst, and

Derek Theler plays a colleague of Dr. Patrick Drake. In this episode, it is Valentine's Day in Port Charles. Olivia receives a surprise visitor from her Bensonhurst days. Melissa Santoro-Picard (Melissa Peterman) and the two old friends quickly catch up on life and loves. Later in the day,

Melissa runs into another familiar face in Port Charles. Wonder who?

Meanwhile, Dr. Patrick Drake is called to consult on a case at the last minute, delaying his date with Sam. Coincidentally, Patrick's colleague Derek (Derek Theler) was also stood up by his date. Derek and Sam agree to keep each other company until their significant others arrive. As the night progresses, the two discover the true meaning of Valentine's Day. This episode of "General Hospital" airs Friday, February 13th on ABC.
