And the timing couldn't be more perfect. In tomorrow's episode, it's a big night for Starr Manning at the grand reopening of the Haunted Star. Todd and Blair (Roger Howarth and Kassie DePaiva) attend together as her proud parents and Starr takes to the stage to perform ("Just Like That" written by Rie Sinclair). Family, friends and her love of music are not the only things making the evening so special for the young woman who has recently endured so much loss. Starr is finally ready to find love again and she and Michael (Chad Duell) proudly announce to their friends and family that they are a couple.
