It's ups and downs for a few of our Port Charles couples this week. For starters, Jason and Sam get important news. What tidings come their way? More importantly, how will they act upon them? One thing we do know for certain. Before mid week, Jason and Sam will have a heart-to-heart discussing their future. What revelations, if any, will the conversation bring?

While in other couples developments, as we know, Maxie has her heart set on Matt. And as we know, when Maxie gets a guy on the brain, she will stop at nothing to get her man. However, this week her desire to make Matt jealous falls flat. Is he on to her tricks, or is it possible he's just not that into her?

At the same time, Sonny is surprised with Kate. What does Kate do or say to throw Sonny off guard? Speaking of Kate, it's not long before she lays a bombshell on Carly. Did Carly see this one coming? Either way, shortly thereafter, there is a moment for Michael with his mom. Is this a good or a bad thing?

On the other side of Port Charles, Robin gets more news. What will it mean for her current situation? Later, Diane gives Alexis a present. What could it be? Is Alexis happy to receive it, or does she sense an ulterior motive? Finally, as Olivia goes about doing her job at the MetroCourt, she is shocked at her new boss. Will she be able to handle the situation? Check in to General Hospital this week and find out.
