Could trouble be brewing in paradise already? That's what may be about to happen, especially when Brenda remains adamant that Sonny love Lucian as his own. Will he make the attempt to please his new wife?

Meanwhile, Matt urges Maxie to keep her mouth shut about the truth of Aiden's paternity. Will Maxie take Matt's advice? Later, Siobhan brings Lucky back from the darkness of grief, and they make love. But is their dalliance enough to keep Lucky's mind off the loss of his son for long?

Speaking of children, Jason and Sam finally decide they should try to have a baby. In the meantime, Jax offers Shawn \$10 million to leave Port Charles and never look back. Does Shawn take the deal?

While on the other side of town, Lisa is at it again. This time she masks a narcotic as an herbal supplement and gives it to Kristina! How will the drug affect the teenager? We can't spill all the beans, but we are at liberty to share this – before mid week, it appears that Kristina is armed with a bit more courage. So, she asks Ethan to the prom! Does he agree to go?

Then, Sonny gets a birthday surprise. What could it be? Shortly thereafter, he and Carly try their own methods to keep Michael from joining the mob. Can Michael be swayed? Find out when you check in to General Hospital this week.
