Happy Holidays!

Is it cold outside where you are? Then here's just what you need to warm up.

On today's Home & Family on Hallmark, Days of Our Lives stars Jen Lilley (Theresa) and Eric Martsolf (Brady) perform "Baby it's Cold Outside."

They join Mark Steines and Cristina Ferrare to talk about this special time of the year and what means the most to them over the holiday.

Oh yeah. And before I forget...

Lilley and Martsolf also sneak some peeks at what's coming up on Days, so view the clip with caution. It contains scoopage!

Oh and I am craving a pair of Cristina's green sparkle stretchie pants for sure!

[Here's the clip from today's Home & Family](#) .
