January 12, ABC Digital launched a six-part original web series, "General Hospital Now!" on ABC.com, hosted by "General Hospital's" Nancy Lee Grahn (Alexis Davis.)

The series will feature a panel of hilarious comedians, your favorite soap stars and studs, bloopers, comedy sketches, talent interviews and all around behind-the-scenes mayhem that will keep you in stitches.

Nancy will ask the soap stars the hard-hitting questions you have always wanted to ask, plus fans will get an irreverent glimpse into what really goes on behind the scenes at "GH."

Guests include panelists Jason Thompson, Tyler Christopher, Kirsten Storms, Lisa LoCicero, Sebastian Roche and Ian Buchanan and several more of your "GH" favorites.

The first three episodes launched on January 12th, and the other three will launch on Monday, February 2.

The series can be found on ABC.com and WATCH ABC which is accessible from ABC.com or via the WATCH ABC app, and is free on select Android and iOS devices via Google Play and the App Store.
