Eli's reign of terror in Llanview is coming to a close, but not before some major damage is done. He sets off an explosion in the warehouse, which leaves Dani knocked out and seriously injured from it. Meanwhile, Cole is worried about Starr and Hope and takes matters into his own hands. What does he do? Well, let's just say he winds up with a gun in his hand and his actions lead to Marty being arrested.

Following, Bo leads the search effort for

survivors of the blast. Someone won't make it out alive, but who? Todd and John are part of the search party, but end up getting into a bind of their own. Surprisingly, Todd is forced to take dramatic steps to save John's life. Will his rescue mission fall short? All this, plus Greg makes a shocking revelation. What information does the doctor divulge? Watch all that unfolds this week on One Life to Live.
