

{mosimage}It's a harrowing week for both Theresa and Pilar as Juanita traps them both. How long will they be held captive? Not long if Theresa has her way. Before the week is out, she and Pilar will attempt a desperate escape. Will they further endanger their lives or do they get out unscathed?

At the same time, Theresa's brother, Luis, is deeply affected by Pretty's selflessness. What does Pretty do that endears her to Luis? More importantly, were her acts of selflessness truly that, or does she have another agenda?

While on the other side of Harmony, as Paloma and Noah come close to seeing Endora's magic, Fancy soon tries to seduce Noah. Will working it for Noah's behalf get her the desired (pun intended) result? Only one sure fire way to find out. Tune in to Passions all this week.
