

He's back! Phillip Chancellor III returns to Genoa City today as Thom Bierdz reprises the role he made famous. To see his storyline develop, keep your eyes peeled to the television set on these following dates...

November 4, 6, 9, 10, 12, 18 and 19.

Of the role, Bierdz says, "Phillip is a missing

piece in the Genoa City jigsaw puzzle. He is a piece of puzzle never seen before, and I love how the writers are slowly revealing the sides of this puzzle piece so that he will fit perfectly within the Chancellor family... or will he???"

Soapdom also congratulates Bierdz for receiving an award for his autobiography. The National "Best Books 2009" awards named Bierdz's tome-Winner in the "Autobiography/Memoirs" division. This award is given out annually by the Best U.S.A. Book News organization.
