As the week begins...

Meanwhile...

Ashley's announcement catches her family off guard, Billy makes a confession to Chelsea, and friends and family remember Delia.

By midweek...

Neil's surprise rattles Hilary, Nick bonds with Avery, and Joe reaches out to Cane for help. Is Cane empathetic?

Shortly thereafter....

Victor comes home with interesting news, while Paul's plan hits a snag, and Nikki receives a shocking phone call. How will she handle it?

Finally the week wraps up as...

Michael and Lauren get their groove back, while the search for Ian Ward troubles Dylan.
