Offer additional suggestions for a better name for Hope and Bo's new baby girl

**{mosimage}Dear Soapdom,**

I think the name for Hope and Bo's baby should be Bo-nita Hope Brady in honor of both parents having been given a second chance with a child since Zach.

**Dear Soapdom,**

I would like Hope to name her baby Julie Marie Brady. Julie for Hope's stepmom and after sister Marie. Thank you.

**Dear Soapdom,**

I don't like any of the names they have picked out (for Hope's baby). I think the baby's first name should be named after Hope's sister and her middle name should be after Bo's Mom.

Hope's baby should be named Faith Leann Brady.

**Dear Soapdom,**

None of the pre-selected names are any good. They just don't fit with their family. I think the baby's name should be Zara Faith Brady. Zara is the closest female name to Zach... and she even has his eyes! Faith because Hope and Faith go together and we all know Faith will bring Hope and Bo back together!

**Dear Soapdom,**

I don't really care for the three names picked out for Hope's baby.

Here are my suggestions:

Marissa Hope

Laura Lee

Leah Earlene

Donetta Jean

Emily Scout

The first (on the above list) is my first choice.

Too bad I didn't know about Hope Brady's baby being named sooner. (My suggestion would have been) Manda Lynn Brady.

**Dear Soapdom,**

Is it true the name of Hope's baby is Ciara Alice Brady? I was going to suggest Faith Alice Brady instead of Faith Lea Brady. The reason (I like) Faith for the first name of Hope's baby on Days, is it took faith to bring the two lovebirds back together, faith to see things thru, and Alice for obvious reason -- Alice needs a namesake.
