Get them back together!

{mosimage}Dear Soapdom,

Will Luis and Sheridan get back together again? I would love that on the show. When will they find their son?

Thank you,

Dear Crystal-fan,

A soap is a soap is a soap and Passions is no different. Will Luis and Sheridan find their way back to each other? Never say never. So far, Chris has left Sheridan to her feelings for Luis, but Luis is involved now with Fancy. Will he be able to let Fancy go to rekindle his feelings for Sheridan? Keep tuning in to find out.
